Dear Facility Owner or Operator:

Please complete the enclosed annual report form and send a copy to both your local jurisdictional health department and a copy to the Department of Ecology (Ecology) by April 1, 2011. Mail the Ecology copy to:

Layne Slone
Department of Ecology
Waste 2 Resources Program
PO Box 47600
Olympia, WA 98504-7600

The enclosed form was
revised for 2010. Please use
the new form.

The form is also available at <http://www.ecy.wa.gov/programs/swfa/facilities/forms.html>.

Your facility is required to submit an annual report for each calendar year according to *Solid Waste Handling Standards* (Chapter 173-350 WAC) or *Criteria for Municipal Solid Waste Landfills* (Chapter 173-351 WAC).

Ecology uses this information to develop a status report for solid waste each year. The *Solid Waste in Washington State - Nineteenth Annual Status Report*, including the 2009 Recycling Survey, is available online. Contact Layne Slone if you would like a copy, or go to <http://www.ecy.wa.gov/programs/swfa/solidwastedata/report.asp>.

If you have any questions, need assistance filling out the form, or would like an electronic copy of it, contact Layne Slone at (360) 407-6409 or layne.slone@ecy.wa.gov. We appreciate your efforts to meet these reporting requirements.

Sincerely,

Laurie G. Davies
Program Manager
